Mission Statement

To further the education of the members and the public in the fields of gardening, horticulture, botany, floral design, landscape design, environmental awareness through the conservation of natural resources, civic beautification, nature studies and to instill in our youth the love of gardening and the respect and protection of the environment.

The Past

Established January 12, 1982, the Wellington Garden Club has been an active and integral part of Wellington and the surrounding communities. In addition, we are proud of our years of service to the Florida Federation of Garden Clubs (FFGC) and the contribution of time and effort our members have made.
