

SHOP FOR A CAUSE

Macy's Wellington is very excited to present the Wellington Garden Club with an opportunity to earn \$2000 in Grant money. This is in association with the Wellington Chamber of Commerce (Michela Green, Executive Director, 561-792-6525). WGC is one of four charities that have been chosen to participate.

November will be "Shop for a Cause" exclusively here in the Macy's Wellington store.

Each charity will have the month of November (11/1 - 11/30) to shop with Christina Andersen (MyStylist Macy's Wellington, 10316 Forest Hill Blvd, Wellington, Florida, 33414, Cell 561-370-8729) to accrue credit for Wellington Garden Club.

Christina will personally assist club members and keep track of our sales. Members would call Christina's cell and schedule an appointment that works for the both of them. If for whatever reason you cannot shop with Christina, you will have a code to give the sales associate to process a transaction. The club member would then text Michela Green a photo of their receipt with the code on it and WGC will receive credit for the sale.

All purchases would count whether it be clothing, cosmetics or large ticket items like Fine Jewelry or furniture. The charity that shops the most with Christina at Macy's Wellington for the month of November will get \$2000 in grant money in January.

Macy's will plan an instore event in January with the winning charity. Michela Green will host a reception in her office to present the winning charity with a check.

This is a win/win situation as there is minimal for WGC to do except communicate the initiative.
