On Dec. 2 the WGC got together for a wonderful Holiday Luncheon. The International Polo Center is really a very beautiful venue overlooking the polo grounds.

Of course, our members did a great job of putting together the raffle baskets. the floral center pieces, and adorable napkin rings, the place cards and the Holiday Sing Along.

We had 3 full boxes of toys for our 2 guests Marines to bring to the "Toys For Tots" program.

Those who attended had a great time and we are looking forward to all of our future gettogethers and Around and Abouts.
