Wellington Garden Club Meeting
January 6, 2020 - Stormi Topics

Wekiva Volunteering is an AWESOME experience!!!

- Pleased to report that 4 of our members are attending Volunteer training weekend, Feb. 7-9. Jan Seagrave, Maria Wolfe, Carol Ralph and me. You will be very jealous when we return and tell you about how much fun we had sharing a cabin in the woods and having way too much FUN!!
- Maria and I will be volunteering *Week 3* of the 6-week camp. Week 3 is Co-ed week and Critters. Maria with her “Critter” grandson for 3 days, 2 nights; me with my grandson (our 5th year) for a week
- I so encourage you to attend the Open House this year, held Sunday, Feb. 9 from 10:00 to 11:30 to see what Camp Wekiva is all about and introduce you to the ***Wonder of Wekiva*** so that you might consider volunteering next year! If anybody is even flirting with the idea, please call me so I can tell you all about it.

PLANT SALE REPORT

Membership Meeting – 1-6-2020

1. The date has been changed to Saturday, April 4th due to a conflict in scheduling at the Community Center.. No change in location.
2. On Tuesday, December 17, Stormi and I went to visit A-One Stop Gardens who have agreed to work with us on consignment.
3. We also visited Indian Trails, Southern and Quintessance Gardens. Jane Thompson (Indian Trails) spent some time with us going through her nursery area.
4. The plan is to go back to each of these nurseries in early to mid-March to start deciding which plants will be best to offer at the plant sale.
5. I have started working on a flyer. I also need to start planning advertising. I would appreciate some feedback from those of you who handled advertising for previous plant sales.
6. Regarding a raffle. We are discussing having a raffle of just plants. When that is firmed up, you will be notified.
7. Are there any questions?

Flower Show Report

January 6, 2020

- Flower show schedule, which is the “menu” for the show, is available on WGC website and will be sent via eblast to all members. A printed booklet will be given to each committee chair, but not to all members, to keep costs down.
- All registration forms for horticulture, design, botanical arts design and photography are on the website and will be sent via eblast this week to all members. Mention registration deadlines.
 - **Everyone is urged to participate in the show in some way.** You can do one or more of the following volunteer opportunities. Introduce chairs
 - Enter an exhibit in the show. Introduce chairs for horticulture, design, botanical arts, photography and education
 - Work as a clerk during judging on Friday afternoon – Deb Russell is chair
 - Volunteer as a hostess on Friday, Saturday or Sunday or one 2-1/2 hour shift on each day – Barbara Ricksen is chair. There are many time slots available beginning at 8:00 a.m. each day.
 - Volunteer to help with the raffle on Saturday or solicit raffle gift cards from local businesses or restaurants – See Kathy Hernicz – Forms package will be posted on website.
 - Volunteer to help place horticulture exhibits on Friday morning – See Stormi Bivin or Susan Hillson
 - Last but not least, you can be a financial sponsor to help defray the cost of the show and contribute toward our community outreach and scholarship activities. See me today for forms or download them from our website.
- Design and botanical arts workshops are continuing in January and February. There is still time to sign up for the three Botanical Arts sessions on Saturday afternoon Jan. 11, and 25 and Saturday morning, Feb. 15. See Chris Biscoglio or Carol Lazzarino.
- If you plan to enter horticulture in the show, remember it must be a naturally small or dwarf specimen in a **clean** pot no larger than 6” in diameter, except for dish gardens which can be 8” in diameter, length or width. Epiphytic plants like orchids, tillandsia or bromeliads can be mounted on wood that is 10” long.

Carol Coleman

Lots of exciting projects have been going on in District X over the past few months. District X Garden Clubs have a unique opportunity leading the way in this new NGC initiative, "Plant America with Trees, Each One (member) Plant One (native trees)" Florida Arbor Day is January 17, 2020 and can be the focal point of the initial phase of PAT in our District. The need for carbon sequestration through expanding our tree-planting efforts is rapidly becoming the most vital program to ensure our planet has the clean air we need to survive. And planting native trees—both saplings and mature trees --in great numbers in cooperation with our local community organizations is the goal of the NGC PAT initiative. Adults, youth and wildlife will benefit from the creation of clusters of native trees labeled for identification and wildlife support. Educational field trips for adults and youth to these areas help fulfill the mission statements of our garden clubs. This project fulfills the mission statement of our Garden Clubs in the following ways:

- "To further the education of the members and the public in the fields of gardening, horticulture, botany, landscape design and environmental awareness."
- "Conservation of natural resources"
- "Civic beautification"
- "Nature studies"
- " Instill in our youth the love of gardening and the respect and protection of the environment."

Projects to be considered would include expanding the native trees in County and local parks as well as supporting the planting of wetland native trees around the water-retention areas at local schools, helping local Boy and Girl Scouts to obtain their Tree Planting merit badges, educating homeowners on the advantages of planting native trees and providing easy access to obtaining trees through plant sales.

To date there have been meetings with the Palm Beach County, Board of Commissioners/Parks and Recreation Department, the Office of Public Engagement, Greenacres Community Center, The City of West Palm Beach, Gulf Stream Council of Boy Scouts, which covers 7 counties and we are planning to do plantings of native seedlings and trees in John Prince Park (we have dates planned for January 4th and January 18th and April 25th Earth Day) as well as covering other locations of our District X Clubs. For Boy Scouts of America, there is a three-pronged approach:

- 1) Actively involve Scouts in tree planting-for the Plant Science: Horticulture merit badge and Community Service hours
- 2) Funding from Council
- 3) Eagle Scout Projects-planting native tree gardens with signage.

Signage could include Blue Star Markers in the gardens to additionally support our Veterans.

In addition to this exciting project, I will be visiting several of the Garden Clubs meetings in the New Year. Hopefully, I will be invited to all clubs over the 2020 and 2021.

Subject: Invitation to Arbor Day

You are cordially invited to attend Florida Arbor Day and celebrate the planting of native trees in John Prince Park.

What: FFGC District X's Plant America with Trees initiative together with Palm Beach County Parks and Recreation and student volunteers will plant 30 native trees in John Prince Park, in celebration of Florida Arbor Day. The event is part of a national effort to offset tree loss and promote carbon sequestration in the atmosphere. Native trees were donated by FFGC District X; The event will begin with a small ceremony, followed by the tree planting.

When: Saturday, January 18 at 9:00 am

Where: Center Drive Pavilion, located in John Prince Park
[4759 South Congress Avenue, Lake Worth](#)

Directions: To get to Center Drive Pavilion, proceed to [4759 South Congress Avenue](#) park entrance, Lake Worth. Enter the large parking lot and follow the signs posted for this event.
