

Wellington Garden Club Projects Win Awards

Due to the cancellation of the 2020 Florida Federation of Garden Clubs (FFGC) Convention last spring, the announcements of FFGC, Deep South Region and National Garden Clubs, Inc. award winners were sent via email to the winning garden clubs instead of being announced at the Convention. Although the celebratory atmosphere of the Convention was absent, it was no less thrilling for me as WGC Awards Chairman and Jan Seagrave, WGC President, to receive notification that our club won the awards listed below for our activities from June 2018 through November 2019. Congratulations to all members for their award-winning achievements!

Florida Federation of Garden Clubs (FFGC) Awards:

- **Blue Star Memorial Marker Award** for the dedication of the Blue Star Marker at Veterans Memorial Park in November 2019.
- **Promoting Bees through Knowledge Award** for the program in August 2019 at Wynnebrook Elementary School with Al Salopek, "The Bee Man".
- **National Garden Week Award** for the floral designs distributed to local businesses and municipal offices, the youth program at Wellington's Summer Camp and the program on attracting wildlife to your garden presented at the Wellington Branch Library in June 2019.
- **Special Youth Program Award** for the National Garden Week program with youth at Wellington's Summer Camp in June 2019.
- **Floral Designer's Award** to Susan Hillson for all she has done in floral design for our Club, District X and local communities.

Deep South Region (DSR) Award:

- **Community Action Award** for the Blue Star Memorial Marker Dedication.

National Garden Clubs (NGC) Award:

- **National Garden Week Award** for the floral designs distributed to local businesses and municipal offices, the youth program at Wellington's Summer Camp and the program on attracting wildlife to your garden presented at the Wellington Branch Library in June 2019
