Garden Tour of Kathy & Bob Rose Gardens.

12810 Cocoa Pine Drive,

Boynton Beach, FL 33436

Prepare to be wowed. Kathy & Bob Rose moved to Boynton Beach in 1997. As their name indicates, roses were always a family favorite. The Rose's garden boasts 65-70 rose bushes that will amaze and delight. Also found on their property will be natives such as Jamaica Caper hedges and Cocoplum hedges. For the fruit tree fans, we will see guava, mango, lychee and avocado trees. A rain barrel garden along with herbs, butterfly plants, Russian salvia, Angelonia's, canna lilies and Dusty Miller interspersed between the rose bushes.
