

## **WGC MEMBERSHIP MEETING**

**Wellington Community Center**

**Monday, October 4, 2021 at 9:30**

**Speaker: Jim Ritterhoff, Executive  
Director/Co-Founder of [FORCE BLUE](#)**

**FORCE BLUE** was established as a 501c3 nonprofit organization in 2016, and seeks to address two seemingly unrelated problems—the rapidly declining health of our planet’s marine resources and the difficulty returning combat veterans have in adjusting to civilian life through one, mission-focused program. **Their capabilities** are **Coral Restoration & Rehabilitation, Coral Disease Response**, to name just two of many.
