

WGC MEMBERSHIP MEETING
Wellington Community Center
Monday, January 10, at 9:30

Speaker: Gratitude Farms,
3795 D Rd, Loxahatchee Groves, FL 33470
<https://www.organicTurmeric.com/pages/about-us>

Joseph Chammas and his lovely wife operate a small family run organic farm specializing in nutrient dense foods such as sprouts, micro greens, mushrooms, turmeric, ginger and fruits located in Loxahatchee Groves. Joseph is a “hands on organic farmer” using practical processes to grow his produce...his mushrooms are unbelievably delicious.

Joseph will share his experiences and processes with us at our January meeting. In particular, Joseph will talk about mushrooms and the medicinal plants he raises.

“In 2008 I was diagnosed with stage 4 cancer. I went through some conventional treatments and we decided to stop them early as the treatments were devastating to my body and spirit. I transformed my life overnight and my wife and I went raw vegan for 3 years, within that time we started growing our own food.

We started with a few raised beds and within a year or two our whole front and back yard was being used to grow organic foods. We converted a room in our house to grow wheatgrass and sprouts which were used as medicine. My wife Tawna and I left our old lives behind and started a new life designing it the way we want. This was the beginning of our journey to create our organic farm. We are truly passionate about medicinal herbs and plants that
