

Gold Star Memorial Dedication

May 31, 2021

The Wellington Garden Club's commitment to our community was evident on Monday, May 31 when a **Gold Star Memorial Marker** was dedicated at the Village of Wellington Veterans Park during the Memorial Day ceremonies. The tribute line on the Gold Star Families Memorial Marker is "A tribute to Gold Star Families who's loved one paid the ultimate price defending the United States of America."

FFGC President Marjorie Hendon was present to dedicate the marker and former NGC President Barbara May and former District X President and Wellington Garden Club President (2017-2019) Carol Coleman unveiled the Gold Star Memorial Marker. The Wellington Garden Club was instrumental in obtaining the keynote speaker. Clerk of the Circuit Court & Comptroller Joseph Abruzzo gave the keynote address. He is a military veteran and was the perfect speaker for this community event. Adriana Siena, granddaughter of WGC members Kathy and John Siena sang the National Anthem. Thanks to Lt. Col. Charles and Kathy Hernicz US Army, Retired for their generous donation towards this Marker. The Wellington Garden Club members were there to show their patriotism and witness the unveiling.
