

Sip 'n Stroll at Mary Barbara Alexander's Home & Garden

Friday, September 17, 2021

In my installation address in May, I introduced a new program to the Wellington Garden Club. An opportunity for us to gather and admire one another's gardens while enjoying appetizers and an adult beverage that I named "Sip 'n Stroll." Mary Barbara Alexander graciously offer her equestrian property for our first gathering. Members and their spouses enjoyed her property, pool, paddocks and gardens while socializing....a first in a long while.

Please consider joining us on Friday, November 5, at the home of Anne Hlasnicek. Her garden is perfect to wander around while sipping on your favorite vintage. Bring an appetizer to share and your adult beverage and join us from 4:00 – 6:00pm.
