This around and about is a follow up to the presentation given by Will on Monday, January 9, 2023. At each of the stops, Will is planning to go over some of the information presented and answer questions.

We will start at “The Preserve” on Flying Cow Road, then proceed to the Boardwalk behind the library on Forest Hill. We will look at some of the newly planted landscape and talk about plant selection.

Lunch will follow at Oli’s Fashion Cuisine, (at the individual’s expense) 10610 Forest Hill Blvd #20, Wellington, FL (in the Fresh Market plaza).
