Lagoonside chat will begin at 10:00 am. There is a limitation of 25 individuals, therefore we are trying to schedule a second Lagoonside chat.

We will meet at the carpool area at the Wellington Community Center at 9:00am and leave by 9:15am (it is a 40 minute drive to the Manatee Lagoon).

A “Manatee Master,” will impart some cool facts about the Manatees and other local marine life. We will hear about “all things manatee,” and learn what we can see from the observation deck and get answers to manatee-related questions in a Q&A session following the presentation.

Lagoonside Chats are outdoors only, so the program may be cancelled due to inclement weather . As the number of participants is limited, we will make every effort to schedule two days in sequence.

Lunch will follow at the Rafiki Tiki Bar & Grill, 109 E. 13th Street, Riviera Beach, FL 33404 (at the individual’s expense). <https://goo.gl/maps/1RmtZwZRSTEFUxaa9>
