This drive-through Safari Park and walk-through Safari World amusement park is located on 600 acres. It was founded in 1967 and claims to be the first “cageless zoo” in the United States. In 2009 USA Travel guide ranked Lion Country as the 3rd best zoo in the nation. Today the park features over 900 animals including lions, giraffe, zebras, ostrich and rhinos. The discounted admission rate is because we are a non-profit organization.

Lunch will follow in the park at the renovated Café Roar (at the individual’s expense)
