Permaculture Resource Center**

**Topic: Permaculture**

George Soria is a healthcare advocate and visionary entrepreneur, renowned as the Chairman and founder of the South Florida Permaculture Resource Center, a vital division of the nonprofit 501c3 organization, 47 Million Reasons Healthcare Movement, Inc.

Throughout his extensive professional career in healthcare, George firmly believes that permaculture holds the key to restoring harmony with nature, establishing a self-sustaining world, and fostering holistic well-being. With a strong emphasis on education, the center addresses all crucial aspects of life, meeting the fundamental needs for a healthier body, mind, and soul.
