

**WGC Membership Meeting  
Wellington Community Center  
Monday, November 3, 2025 - 9:30 AM**

**Speaker: Emily Marois**

**Topic: Naturally Florida - Embracing Native Plants  
in Your Garden**

Emily Marois is a UF/IFAS Urban Horticulture Extension Agent in Palm Beach County, where she creates and delivers horticulture programs with the support of the Master Gardener volunteers she trains. A South Florida native, Emily holds a Master's in Agriculture Education and Communication and a Bachelor's in Plant Science from the University of Florida. Her background includes working as a horticulturist at Naples Botanical Garden and experience in the floriculture industry. She specializes in Florida native plants, edible gardening, and Florida-Friendly Landscaping™.
