Kimberly Helm's House
9443 Granite Ridge Lane, WPB

Carpool: East meet by 9:20am / Depart at 9:30am / Arrive by 10:00am

Take a walk around Kimberly's yard which contains: Sensational Succulents, her Florida State certified nursery: where she grows many of the succulents used in the container gardens she sells and the classes she gives. Her backyard also contains a butterfly and hummingbird garden filled with numerous native butterfly host plants and trees. Tucked away in a corner, is a delightful Japanese Garden with two ponds, the classic Japanese bridge, bamboo, and large trees formed in the art of bonsai. The front yard is dominated by a large succulent rock garden and several smaller succulent gardens. When you walk up to the front door you will discover a raised tumbled marble paver Koi Pond. Everywhere you turn there is another delight to feast your eyes on.

Lunch at Pete's Place, 6774 Forest Hill Blvd., Greenacres, FL (at the individual's expense)
