Wellington Community Center  
Monday, January 4, 2027 9:30 AM**

**Speaker: Judy Bailey**

**Topic: Gardening Success When You Don't  
Have Much Space**

Judy has always been an enthusiastic plant aficionado, particularly with orchids, ferns, carnivorous plants and pollinator gardens. Soil health has also become one of her passionate interests.

As a long time Master Gardener, both in Ohio and Florida as well as a Senior Judge with the American Orchid Society, Judy embraces opportunities to learn, share and teach plant knowledge, frequently speaking to many South Florida orchid societies, garden clubs, botanical gardens and Master Gardener classes.

You are sure to find her at most local plant events and orchid shows as she continues to explore all things plant related here in beautiful South Florida ---while encouraging others to do the same.
