**Speaker: Emily Zaraycki**

**Topic: Gleaning! What is it?**

Emily Zarzycki, Director of Outreach, has served with CROS Ministries since 2013. Early in her career with the nonprofit, she oversaw all of the children's hunger programs and served with the gleaning program. Today, she still remains boots on the ground in our community by coordinating CROS food pantries located in Belle Glade and Jupiter, outreach events, and providing field support to the gleaning program. Prior to 2013, she served with the Girl Scouts of Southeast Florida as their Director of Outdoor Programming. In her free time, she is a Gold Award Advisor for the Girl Scouts, enjoys traveling, and swimming.
